

FIG. 1

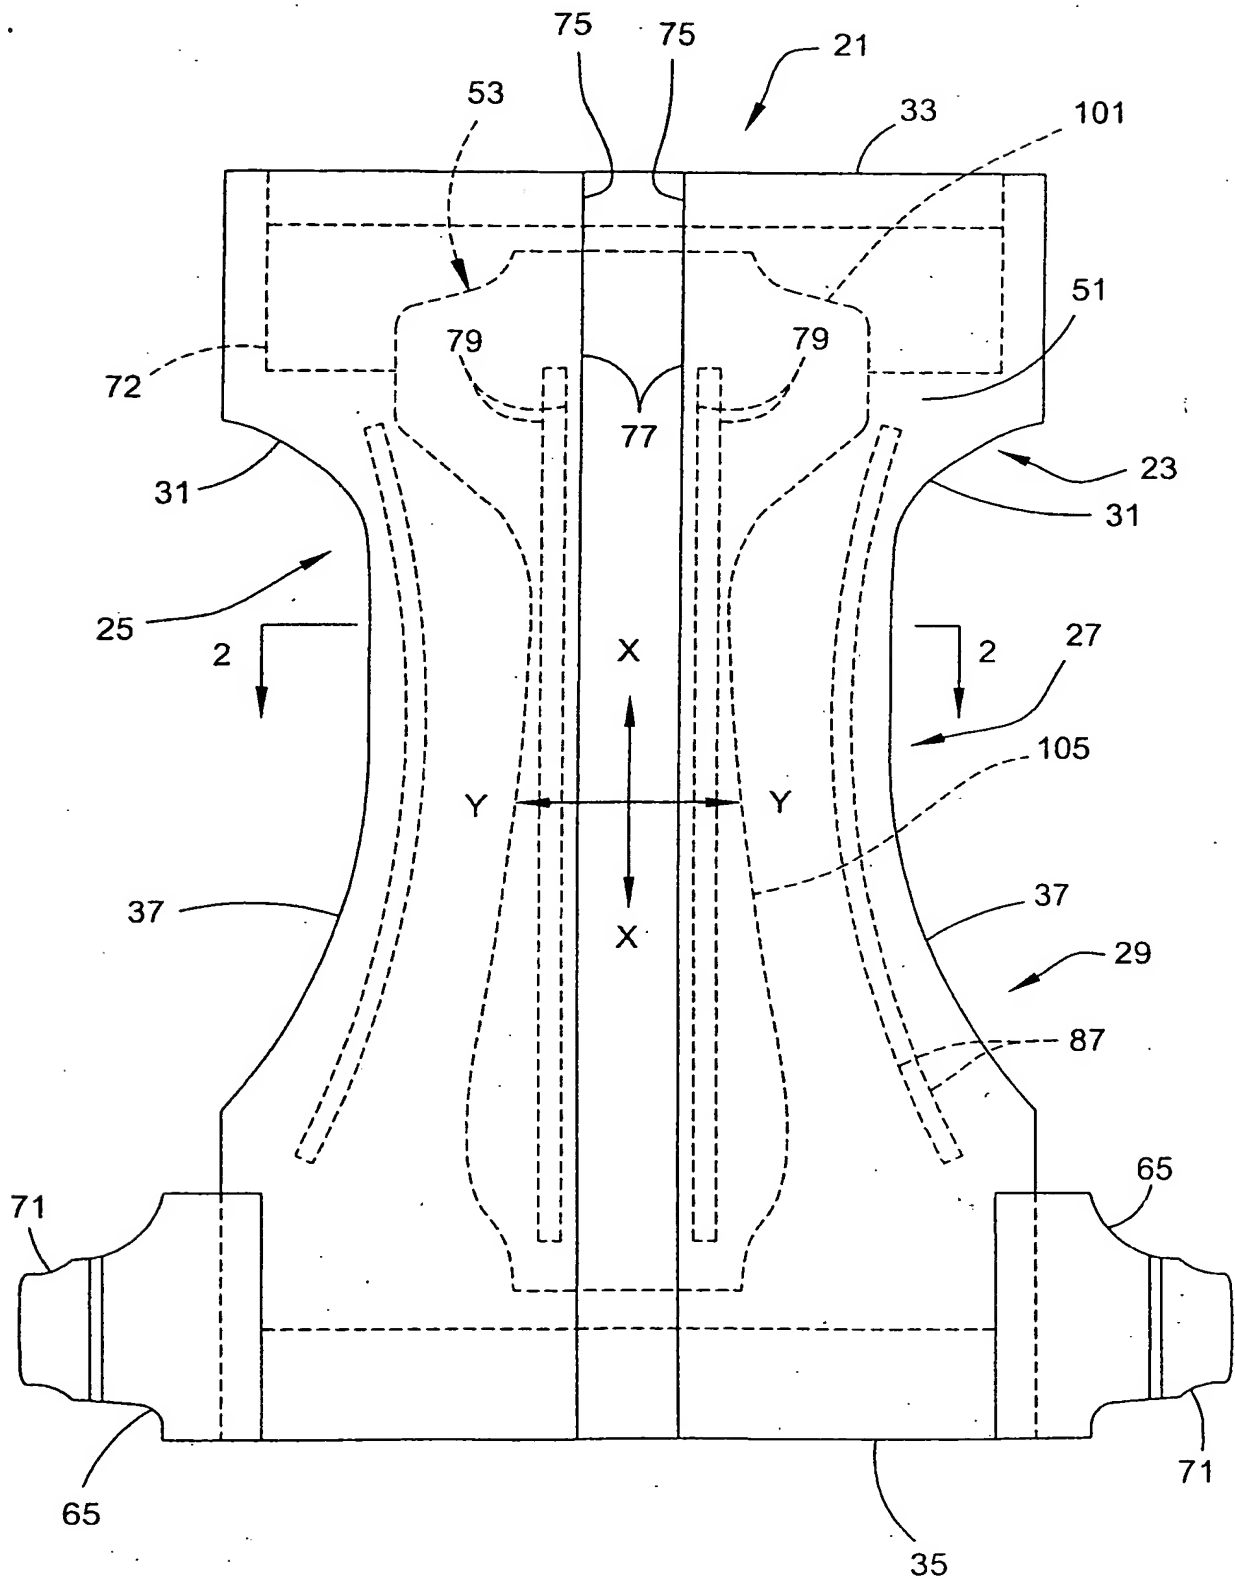

FIG. 2

FIG. 2 is a schematic diagram of a multi-layered structure 23. The structure consists of a central core 53 with diagonal hatching, flanked by layers 51 and 55. Above the core are two identical assemblies 75, each containing a sub-assembly 77 with internal components 103 and 105. Below the core are two identical assemblies 81, each containing a sub-assembly 87 with internal components 57 and 59. The entire structure is bounded by layers 101 and 105.
